# Welcome to THE NEXT ERA OF ACCD

Dear Friends,

We are pleased to welcome you to the **17th Advanced Certificate Course in Diabesity (ACCD 2026)**, organized in collaboration with the **European Association for the Study of Diabetes (EASD)**. ACCD 2026 will be held on **15th–16th August 2026** at the **Pullman Convention Centre, Pullman and Novotel Hotels, Aerocity, New Delhi**.

For over sixteen years, ACCD has served as a beacon of scientific rigour and clinical excellence in diabetes education. As science advances and clinical realities evolve, we need to keep pace with the developments and revise our approach. Recognizing the inseparable link between diabetes and obesity, ACCD now embraces the broader and more meaningful concept of **Diabesity**, reaffirming its commitment to comprehensive metabolic care.

ACCD 2026 brings together distinguished faculty from **EASD and India** to explore emerging evidence, evolving paradigms, and practical strategies in diabesity care. Through state-of-the-art lectures, scholarly debates, insights from landmark trials, and real-world case discussions, the program is designed to inspire critical thinking, enrich clinical judgment, and translate knowledge into meaningful patient impact.

As we embark on this next chapter of ACCD, we invite you to join us in shaping the future of metabolic care—guided by evidence, driven by purpose, and united by the commitment to better outcomes.

**Be part of the evolution. Be part of the DIABESTY era. Be part of ACCD 2026.**

Warm regards,

**Dr. Brij Mohan Makkar**
